

Digital Imaging Intern

JOB TYPE: Part-time Internship

LOCATION: New York, NY

DEPARTMENT: Digital Imaging

DESCRIPTION:

Niche Media is the country's preeminent regional magazine group catering to the most affluent socially active residents and visitors to our markets through distinct publications. Our city-specific magazines offer the best in fashion, food, culture, society, real estate, and design.

Niche Media is looking for a digital imaging intern to join our high-performing New York team. While working closely with the Digital Imaging Specialists, primary duties for interns will include the following:

- Learning from Digital Imaging staff and helping to support the department
- Creating clipping paths and color correcting production images
- Other duties as assigned

REQUIREMENTS:

The ideal candidate should be organized, dependable, detail-oriented, positive, and proactive, with a strong passion for digital imaging and photography.

This is an unpaid position. Interns must be currently enrolled in a college/university secondary education program, and may receive school credit for their internship. Interns should be available 3 days a week. Start date is flexible – approximate timeframe for internship will be late May through the second week of August.

For immediate consideration, please submit a resume, a short description including reasons for applying, days of the week you are able to work to jobs@nichemedia.net, and indicate “DIGITAL IMAGING INTERN” in the subject field.

No phone calls please. Candidates under consideration will be contacted.
